

## **Cornwall Chamber of Commerce & Industry (CCCI)**

### **What can the Cornwall Chamber of Commerce do for me?**

Our aim is to help businesses in Cornwall grow and prosper. Our events programme attracts over a thousand businessmen and women every year, offering networking, business development and hospitality opportunities.

You can also take advantage of the expertise offered by our Export Information Service, Bank of England Panel Meetings, Cornwall Engineering Group as well as the business legal help line and the valuable information and networking resources in the exclusive Members' Zone of our web site.

### **How can Cornwall Chamber of Commerce help me make new business connections?**

Networking is one of the most effective ways to build business relationships, local connections, friendships and to get your business better and more widely known. Through the Cornwall Chamber of Commerce's events programme we can provide you with numerous interesting and enjoyable networking opportunities.

In addition to networking there are many other ways to make connections with other Chamber members, whether you are looking to find suppliers, partners and buyers, to share knowledge and expertise or to raise the profile of your business.

These include using low cost advertising opportunities to make an exclusive offer to other members via our monthly Business Development Club mailing, as well as opportunities to promote your products and services on the Chamber's website by completing your own company profile.

### **Maximize your membership of Cornwall Chamber of Commerce**

Contact our Membership Manager John Hoelen on 01209 216006 to find out more about Cornwall Chamber membership and how it can help you and your company make the business contacts you need. Those companies that get the most out of Cornwall Chamber of Commerce & Industry membership are those that recognize that membership is about giving and not all about receiving, it's about developing mutually valuable business relationships over time. To enjoy the full benefits of membership you need to join in, make use of the many services available to your company and get involved - membership is as good as you want to make it.

### **Is the Cornwall Chamber of Commerce value for money?**

Membership of Cornwall Chamber of Commerce is corporate - it is your company that is the member rather than one individual. That makes all of your employees eligible to use the Chamber's extensive services. For members, many of our services have discounted rates, some are free, and most are exclusive to our membership.

Annual Membership subscriptions start at just £165 for a business employing 1- 5 people. We now have over 250 businesses in the Cornwall Chamber of Commerce and the numbers are growing every month.

### **Does my company have to be a member to attend Cornwall Chamber of Commerce Events?**

Most of our events are exclusive to members however, a few are open by invitation to non-members to attend. This enables companies to see for themselves the type of events they could attend and see the benefit of becoming a member of Cornwall Chamber of Commerce.
